PRE-MATCH BOURNEMOUTH

A large majority of trains arrive at **Bournemouth Central Train Station**, which is accessible to wheelchair users. Leave the station by the south exit, (facing Asda) and turn left to head towards the main road. Turn left again and walk straight up Holdenhurst Road for around 25 minutes, until you reach a roundabout at which you turn right into Kings Park Drive. The ground is on the left. For more information go to http://www.nationalrail.co.uk/stations_destinations/BMH.aspx

Visiting supporters are welcome in the Cristopher Creeke pub, which is just a short walk from the train station.

The P2 and P3 **Yellow Bus** service is easily accessible from the train station and runs up to every 20 minutes. It can be picked up at Bournemouth train station stop 6 (going in the Christchurch direction) and you can get off at Queens Park Hotel stop, which will be a total of 6 stops, then it will be a 5-minute walk, going along Ashley Road and then going through Kings Park. If you want to make a day out of your trip, then this bus also serves Bournemouth Pier (for a top photo opportunity) and Bournemouth Square where you can find plenty of shops and places to eat and drink before heading to the ground, with an adult day ticket priced at £4. To plan your journey or for more information go to bybus.co.uk/

The **More Bus X3** service operates every 30 minutes and can be picked up at St Swithuns Roundabout. After a total of 7 stops it will take you to the Kings Park stop. All buses are equipped with free wifi and USB charging facilities.

If you start your matchday experience in town, Bournemouth Pier is home to **Rock Reef**. The award-winning attraction offers a terrific range of thrilling family activities, including the Pier Zip: a dual racing zipline from the pier to the beach itself, cutting over the waves en route. For more information please visit rockreef.co.uk/

PARKING

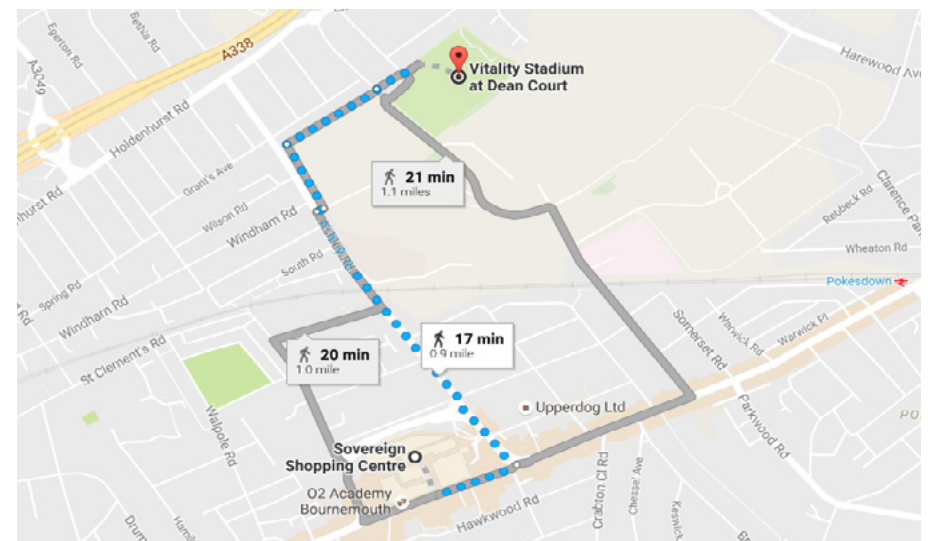

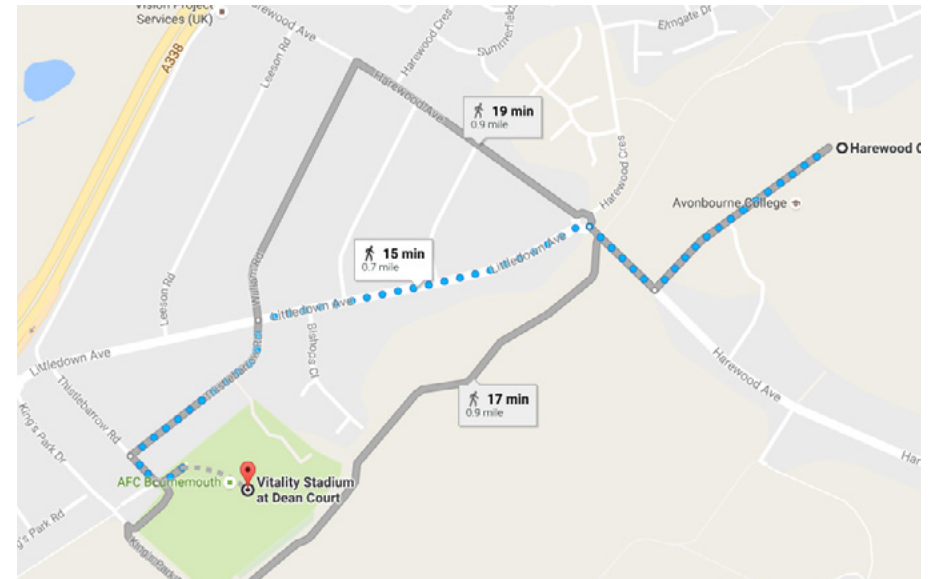

Those travelling on official club coaches will arrive in the car park behind the Ted MacDougall South Stand. Congestion can cause delays when leaving the ground after the game.

Free matchday parking is available at Harewood College, which is only a 10 minute walk across the park to Vitality Stadium – highlighted on the map below. This parking facility has the advantage of being away from the congestion around Kings Park, and will be manned by a steward until kick-off. If you do use Satellite Navigation System please refer Harewood College as Harewood Avenue.

Parking is also available to the south of the ground for just £1. When driving to the ground, follow the brown road signs with a football logo to get to Vitality Stadium. Supporters wishing to park at the ground are advised to arrive early as the car park usually reaches capacity around 75 minutes before kick-off. Supporters are likely to experience delays in leaving the car park after the final whistle. Please be aware, there is a left turn at the exit of the car park, which will bring you out on to Gloucester Road in Boscombe.

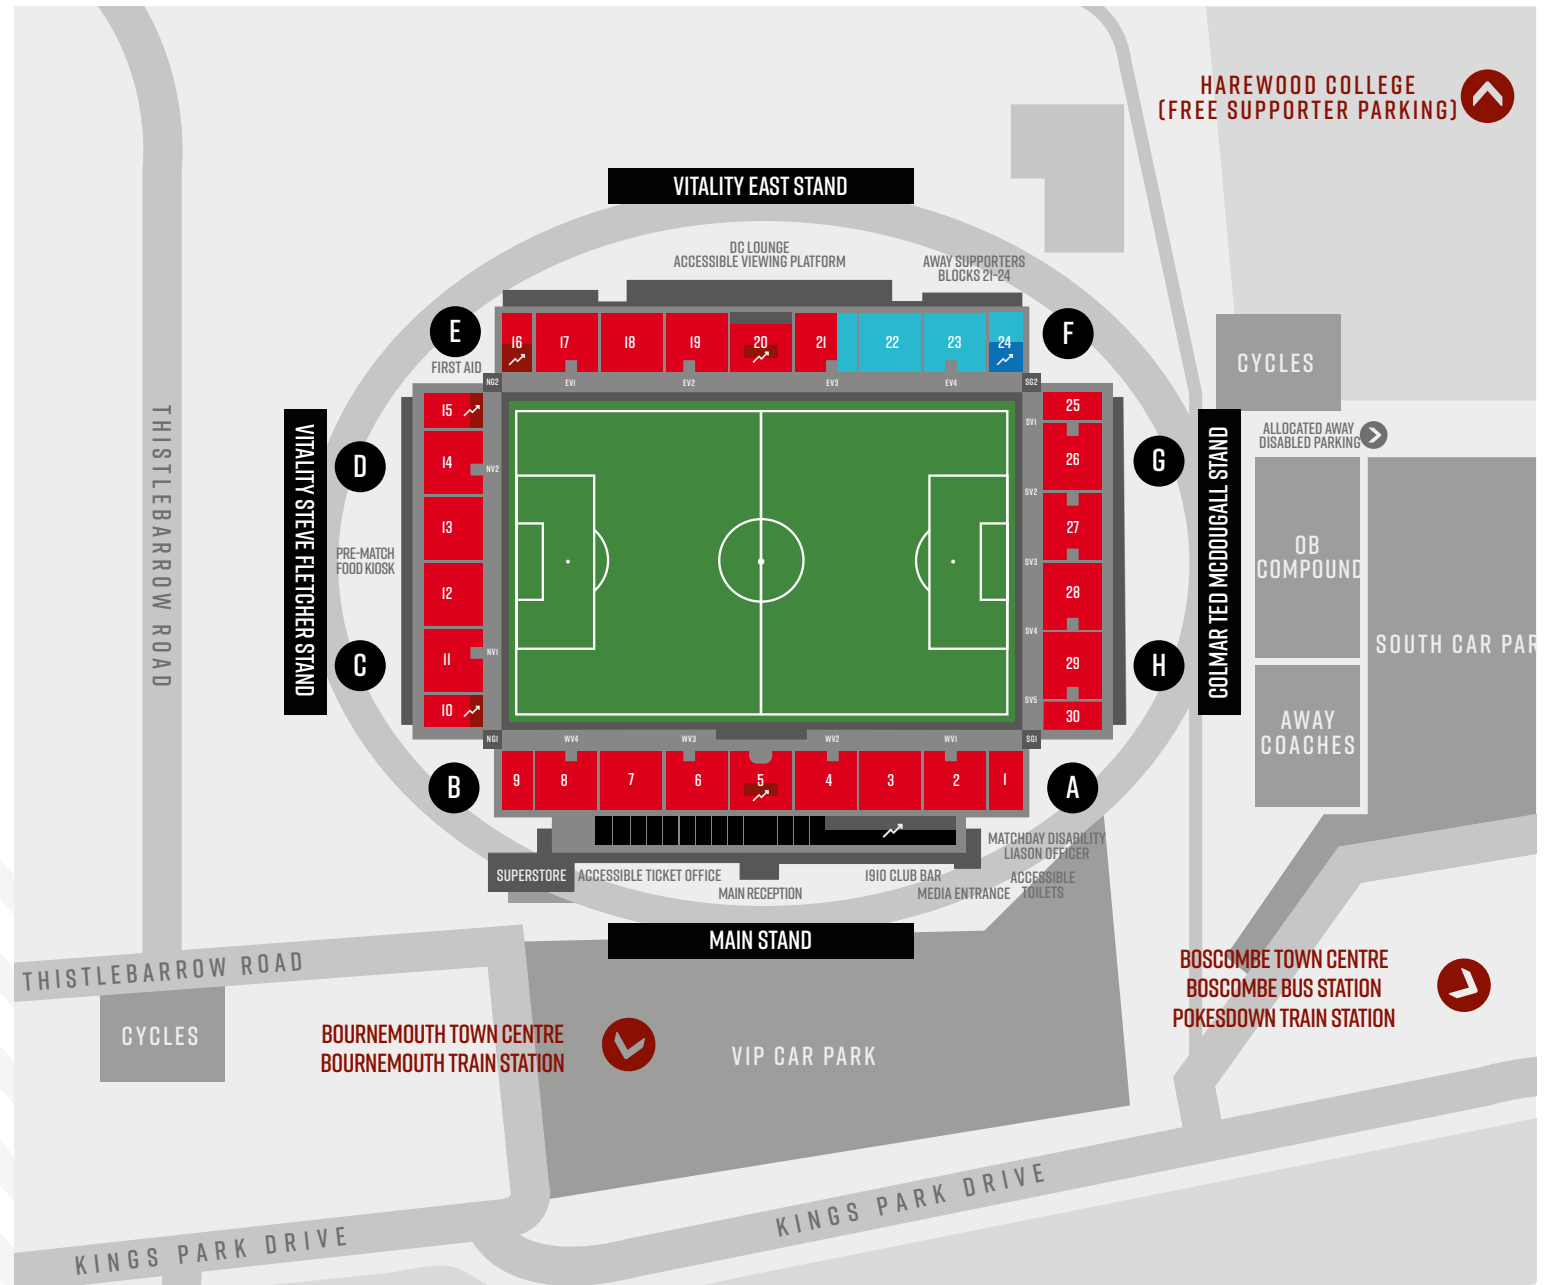

Alternatively, the Sovereign Shopping Centre on Christchurch Road, which is approximately a 15 minute walk from the ground – highlighted on the map below, offers low cost easy parking (£2 for 4 hours), with 600 spaces. This parking facility has the advantage of being away from the congestion and has cafés for food and snacks around the stadium.

Residential roads adjacent to the ground have parking restrictions and the club asks supporters to please be mindful of existing drive entrances and avoid parking illegally as this can cause particular problems for residents and is a safety hazard. Parking enforcement officers and police will respond to residents' complaints and take action.

STADIUM PLAN

There are a variety of viewing positions for wheelchair users located on row A pitchside in visiting supporter stands, and there is a raised viewing area on block 24 of the east stand.
